

Patient Responsibilities

You should provide as much notice as possible if you have to cancel or change an appointment.

Ask your dentist for information on your treatment options and how much it will cost.

Please ask about your oral health and how often you need to come to the dentist.

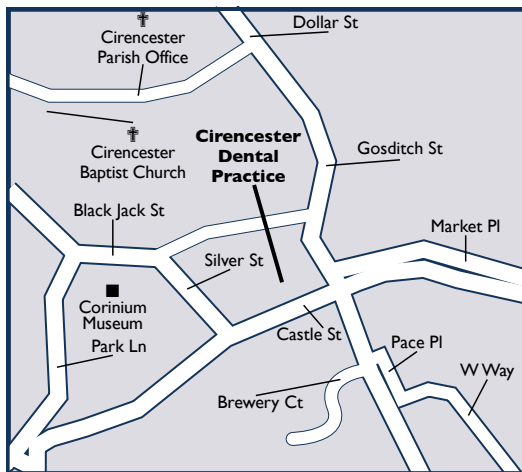

Confidentiality

Strict confidentiality of patients' records and information is maintained at all times. Patient records will not be passed on to any third parties.

Opening Hours

Monday to Thursday	9:00am – 5:00pm
Friday	8:00am – 4:00pm
Saturday	By prior arrangement only

How To Find Us

Your Dental Team

Principal Dentist: Dr Ross Cutts, B.D.S. (Lond)

Having graduated from Guys Hospital, London Ross is a General Dentist with special interests in advanced restorative treatments and Dental Implants. He works

with Ankylos and Straumann implant systems and also acts as a Clinical Mentor and Lecturer for Straumann. At the practice Ross also offers a full range of Facial Aesthetic services such as Botox, Dermal Fillers and Teeth Whitening. He is a member of the Association of Dental Implantology, British Academy of Cosmetic Dentistry and British Dental Association. Ross is also proud to be elected Chairman of Greenwich Local Dental Council and Dental Lead to work with Greenwich Primary Care Trust.

Practice Manager: Gaynor Cutts

Gaynor started her training in 1969 as a Dental Nurse and is still GDC registered. She has worked at a private practice in Kent for 18 years as a Senior Receptionist and then as Practice Manager for

the last 4 years. Gaynor also continues to further her dental knowledge with continual professional development.

Receptionist: Zoe Innes

Local to the area, Zoe has had 17 years of experience in a variety of administrative, events and marketing rolls including spending the most recent 7 years as Director of a local polo club.

General

May we take this opportunity to welcome all new and existing patients to Cirencester Dental Practice. We are a purpose-built, "Centre of Excellence" dental practice in the centre of Cirencester which offers high quality general and cosmetic dentistry to private patients of all ages.

The Practice

The principal dentist, Dr Ross Cutts, is a General Dentist with special interests in advanced restorative treatments and Dental Implants. In addition to General Dentistry treatments, the practice also offers a full range of Facial Aesthetic services such as Botox, Dermal Fillers and Tooth Whitening.

Dental Care

It is our practice philosophy to promote dental health and encourage preventive techniques – helping you to understand how to maintain the health of your mouth and keep it free of tooth decay and gum disease. We offer a complete range of treatments at our practice and pride ourselves on offering the most advanced advice and care that is currently available in the dental world.

Hygienist

Our Dental Hygienists are available for preventative treatment and oral hygiene advice. We offer a wide range of Oral Hygiene products at the practice.

Children

We ask patients to bring their children with them so that we can see them regularly to help them grow up free from dental disease.

Our policy is to see children free of charge subject to parent(s) being fee-paying patients of the practice* (* includes children age 0-18 years exclusive of restorations to permanent teeth).

Special Services

In addition to routine treatments we also offer:

- Dental Implants
- Invisalign® (invisible braces)
- Tooth Whitening
- Facial Aesthetics – Botox & Dermal Fillers
- Mouth Guards

Charges

All dental treatments for patients are carried out privately at this practice and it is our policy to give patients full information about the cost of their dental care before any treatment is undertaken.

Patients may pay for their dental care by Cash, Cheque (providing you have a cheque guarantee card) or Credit/Debit Card. Our normal practice policy is that patients are asked to pay a proportion of the costs at the end of each visit.

Patients may also join our private dental care scheme Denplan for a modest monthly payment.

Emergency Service

If you are in pain during surgery hours, please telephone the practice and every effort will be made to see you as soon as possible.

If you are in pain outside surgery hours, please call our practice On-Call Mobile Number: 07912 668541

Appointments

Every effort is made to see patients at the appointed time, however if you are kept waiting there is usually a good reason, so please be patient.

If you need to be seen urgently, then phone the practice as early in the day as possible.

If you need to cancel an appointment, please give us at least 24 hours notice otherwise cancellation charges may be incurred.

Sterilisation & Hygiene

In the interests of both patients and staff we follow and exceed all the recommended guidelines with respect to the sterilisation of all instruments and the use of disposable items.

Access

The practice incorporates a lift and disabled facilities.

Keep Us Informed

We may ask you about any medication you are taking. Make a note of their names and tell us about them when you attend.

If you change your address or telephone number, please let us know as soon as possible. This helps keep our records up to date and ensures we communicate as efficiently as possible with you.

From time to time we may ask you to fill in a Medical History Questionnaire to assist in our diagnosis and treatment - this is confidential.

Orthodontics

Orthodontic treatment – tooth straightening – using Invisalign® (invisible braces) is carried out at this practice.

Our Aim

Our aim is to provide a friendly service for all the family, with up-to-date advice and treatment.

We hope that this leaflet will answer some of your questions but if you wish to know more please do not hesitate to ask.

We welcome comments and suggestions from patients.
